## Fortified wines

***Manzanilla** is made in Sanlúcar de Barrameda where the veil of flor - which imparts its unique flavours - grows thickest. Cellared next to the sea, it is characterised by a distinctive salty tang and vibrant acidity.*

100ml

Clasica, F de Castilla	4,55 (100ml)	17,20 (37,5 cl)
Gabriela Sanchez Ayala	5,10 (100ml)	
I THINK “En Rama”, La Guita	4,75 (50ml)	

***Fino** ('fine') is a shade fuller than Manzanilla and has a characteristic bitter almond note. Makes an excellent aperitif, but is also a versatile wine some dishes of a meal.*

Tio Pepe	4,00 (100ml)
Clasico F de Castilla	5,00 (100ml)
Gran Barquero	5,10 (100ml)

### **Amontillado**

*If Fino is left to age, the flor will gradually consume nutrients in the wine until it can no longer replenish itself. Once the flor dies, the old Fino will begin to oxidize (and evaporate, raising the alcohol). The result, Amontillado, gradually darkens in colour and takes on a perfumed nutty character.*

La Cigarrera ,Bodega La cigarrera (Sanlúcar de Barrameda)	3,95 (75ml)
NPU,Bodega Sánchez Romate (Jerez)	6,10 (75ml)
Equipo Navazos La Bota 58	7,21 (50ml)
Del Duque VORS,Bodega Gonzalez Byass(Jerez)	8,00 (50ml)

**Oloroso**

*Means fragrant, in Spanish, a good Oloroso will be intensely aromatic in a way that is similar to an Amontillado yet more rounded. Unlike an Amontillado, however, which has a sense of lightness imparted by its development as a Fino, Oloroso is richer and develops further viscosity with age. Bottled dry, as these are, they make particularly fine matches for richly flavoured foods.*

Gobernador, Bodega Emilio Hidalgo (Jerez)	5,55 (75ml)
Fernando de Castilla classic, Bodega Fernando de Castilla (Jerez)	3,50 (75ml)
Don José, Bodega Sánchez Romate (Jerez)	6,05 (75ml)

**Palo Cortado**

is a rare variety of Sherry that is initially aged under flor like an amontillado, but develops a character similar to Oloroso

La Bota 52 Equipo Navazos (Sanlúcar)	7,25 (50ml)
Monteagudo, Bodega Delgado Zuleta (Sanlúcar de Barrameda)	4,70 (75ml)
Apostoles VORS, Bodega Gonzalez Byass (Jerez)	8,00 (50ml)

## Blended fortified wines

### **Creams and mediums**

*Generally an Oloroso that has been sweetened with between 100 - 300 grams/litre of sugar, the (sweet) PX or Moscatel added will initially mask the basewine's complexity.*

*When the blend has a sugar content of between 5 and 45 grams per litre it is known as "Medium Dry", while a blend of between 45 and 115 grams per litre is known as "Medium Sweet".*

*Cream is a semi sweet wine which is obtained exclusively from oxidative ageing and involves blending the Oloroso (in what is known as cabeceo) with an amount of Pedro Ximénez, hence it being commonly known as Sweet Oloroso.*

Cream Cruz del Mar ,Bodega César Florido (Chipiona)	4,00 (75ml)
Cream Solera 1847,Bodega González Byass(Jerez)	3.75 (75ml)
Cream Matusalem VORS,Bodega Gonzalez Byass(Jerez)	8,00 (50ml)
Medium Delgado Zuleta,Bodega Delgado Zuleta (Sanlúcar )	3,50 (75ml)
Medium Cristina,Bodega Gonzalez Byass(Jerez)	4,20 (75ml)

## Natural sweet wines

### **PX and Moscatel**

*The names of the (sun-dried) grapes as well as the sherry made from them. 'PX' and Moscatel are the preferred base for sweetening dry Sherry, while bottled on their own they make some of the world's most hedonistic dessert wines.*

Moscatel La Cigarrera (Sanlúcar de Barrameda)	3,60 (75ml)
Moscatel Dorado,Bodega César Florido(Chipiona)	4,00 (75ml)
PX Emilio Hidalgo,Bodega Emilio Hidalgo (Jerez)	6,00 (75ml)
PX Gran Barquero Maestro (Montilla-Moriles)	5,10 (75ml)
PX Casa del Inca,Equipo Navazos (Montilla-Moriles)	5,50 (50ml)
PX Cardenal Cisneros,Bodega Romate (Jerez)	5,20 (50ml)
